## LETTER FROM THE BOARD

---

### IV. VOTING BY POLL

Pursuant to Rule 13.39(4) of the Hong Kong Listing Rules, a resolution was put to the AGM in writing and the Chairman has the honor to announce the results of the poll. The Chairman has the honor to announce the results of the poll. Pursuant to Rule 13.39(5) of the Hong Kong Listing Rules, the Chairman has the honor to announce the results of the poll.

### V. RESPONSIBILITY STATEMENT

This circular, together with the Directors' circular, is intended to provide the shareholders with the information they need to make an informed decision on whether to vote at the AGM. The Directors, having made all reasonable enquiries, confirm that the information contained in this circular is true and correct, and that there are no other matters which should be brought to the attention of the shareholders.

### VI. RECOMMENDATIONS

The Board recommends that the shareholders vote in favor of the AGM resolution. The Board has no other matters to bring to the attention of the shareholders.

### VII. FURTHER INFORMATION

Yours faithfully,  
The Chairman

*Sincerely,*

Board of Directors  
S a a Da P b c U e (G ) C ., L d.\*  
YANG G  
Chairman of the Board

**5. Objective – to achieve a green and low-carbon**

*(1) Seize the benefits of technological revolution and policies and enable intelligent development of public utilities*

Based on the development of the artificial intelligence and big data, the Company will seize the benefits of technological revolution and policies, and enable intelligent development of public utilities. The Company will actively promote the application of artificial intelligence, big data, cloud computing, and other technologies in the production and operation of public utilities, and improve the efficiency and quality of services. The Company will also actively promote the application of green and low-carbon technologies, and reduce the carbon footprint of public utilities.

*(2) Continuously raise the ESG integrated management levels and steadily pursue green and low-carbon development of public utilities*

The Company will continuously raise the ESG integrated management levels and steadily pursue green and low-carbon development of public utilities. The Company will actively promote the application of green and low-carbon technologies, and reduce the carbon footprint of public utilities. The Company will also actively promote the application of artificial intelligence, big data, cloud computing, and other technologies in the production and operation of public utilities, and improve the efficiency and quality of services.

*(3) Solidify the red line for workplace safety and ensure stable and smooth supply*

The Company will solidify the red line for workplace safety and ensure stable and smooth supply. The Company will actively promote the application of artificial intelligence, big data, cloud computing, and other technologies in the production and operation of public utilities, and improve the efficiency and quality of services. The Company will also actively promote the application of green and low-carbon technologies, and reduce the carbon footprint of public utilities.

*(4) Intensify internal control management and effectively prevent risks*

The Company will intensify internal control management and effectively prevent risks. The Company will actively promote the application of artificial intelligence, big data, cloud computing, and other technologies in the production and operation of public utilities, and improve the efficiency and quality of services. The Company will also actively promote the application of green and low-carbon technologies, and reduce the carbon footprint of public utilities.

## DIRECTOR AND OFFICER REMUNERATION MANAGEMENT POLICY

Article 1 This Policy is hereby established to guide the remuneration management of the Director and Officers of the Company, in accordance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (SEBI) Regulations, 2002. The Company shall ensure that the remuneration of the Director and Officers is fair and reasonable, and is in line with the performance of the Company and the industry. The remuneration of the Director and Officers shall be determined by the Board of Directors, subject to the approval of the shareholders in general meeting.

Article 2 This Policy shall apply to the Director and Officers of the Company, including the Managing Director, Executive Directors, Non-Executive Directors, and Independent Directors.

Article 3 The remuneration of the Director and Officers shall be determined by the Board of Directors, subject to the approval of the shareholders in general meeting.

(I) Before the remuneration of the Director and Officers is determined, the Board of Directors shall consider the following factors:

(II) The remuneration of the Director and Officers shall be determined on the basis of the performance of the Company and the industry, and shall be linked to the achievement of the Company's strategic objectives.

(III) The remuneration of the Director and Officers shall be determined in accordance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (SEBI) Regulations, 2002.

(IV) The remuneration of the Director and Officers shall be determined in accordance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (SEBI) Regulations, 2002.

Article 4 The remuneration of the Director and Officers shall be determined by the Board of Directors, subject to the approval of the shareholders in general meeting. The remuneration of the Director and Officers shall be determined in accordance with the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (SEBI) Regulations, 2002.

Notwithstanding to the provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (SEBI) Regulations, 2002, the remuneration of the Director and Officers shall be determined by the Board of Directors, subject to the approval of the shareholders in general meeting.

## II. ANNUAL ONSITE WORK AND THE COMPANY'S COOPERATION WITH THE INDEPENDENT NON-EXECUTIVE DIRECTOR AT WORK

During the Reporting Period, I have fulfilled specific responsibilities of the Company's independent non-executive director, and have actively participated in the company's various activities. In the past year, I have attended the Board of Directors' meetings (including the Shareholders' General Meeting), exercised the duties of the Independent Non-Executive Director as stipulated in the Company's Charter and the relevant provisions of the Securities Law, and have actively participated in the company's various activities.
